

## WELCOME

Welcome to the 2nd annual Clare Island Film Festival! We are delighted to offer you a selection of both national and international short films. This year, we have included two prominent features that will screen over the weekend. Silence by Pat Collins & Jimmy's Hall by Ken Loach, which features the dancing talents from Clare Island's very own residents.

We hope you enjoy the intimate atmosphere of this year's Festival while relaxing and unwinding during your visit. Make sure to take some time to explore the island and all it has to offer!
